

Te Kaahui o Rauru

Mahere aa-Tau 2017-2018

RANGAHAU

By 2020 TKOR will have a comprehensive report on the well-being of Ngaa Rauru by completing a range of research projects that focus on the social, economic, and cultural status of whaanau, hapuu and lwi to provide base-line data to inform future projects.

| Issues | Objective | Activity/Measure/Target | Outcome | Investment |
|--|---|---|---|--|
| Tiro Whaanui | | | | |
| 1. Office holds no data on the social, economic and cultural status of whaanau, hapuu and lwi 2. No centralised or robust database of information to inform projects and initiatives or assist in setting future direction of iwi | a) Determine, document and review the needs and aspirations of hapuu, marae and whaanau b) Setup communication and feedback systems to foster the goals, needs and aspirations of uri c) Develop mechanisms to enable uri to actively contribute and share their skills, knowledge and experience with lwi, hapuu and marae | <ul style="list-style-type: none"> • Commence development of baseline data collection measure criterion/framework • Commence development of baseline measure data collection methodology • At least 12 x marae interviews conducted • Plan and scope a comprehensive lwi research project 1 research project scoped/planned | <ul style="list-style-type: none"> ➤ lwi have improved knowledge and understanding of systemic data collection ➤ lwi has enhanced knowledge, skills and capabilities on data collection frameworks and processes ➤ Improved communications and knowledge flow between lwi, hapuu and marae | lwi Development will prepare a terms of reference and engage a researcher to scope/implement the project. Budget \$30K Office Consultancy |

By 2020 TKOR will increase Ngaa Rauru whaanau participation and achievement levels in Maaori and English mediums of education by offering opportunities and targeted programmes to assist whaanau in gaining skills and qualifications that contribute to their future and the future of Ngaa Rauru.

MAATAURANGA

| Issues | Objective | Activity/Measure/Target | Outcome | Investment |
|--|--|--|--|---|
| Te Kooiwi-roa (TKIR) | | | | |
| 1. Shortage of iwi Pouako available to support learners in education centres | a) Identify iwi Pouako and develop processes, agreements and training/support package to engage them | <ul style="list-style-type: none"> 4 agreements with Pou Ako in place 6 MoU's with education centres | <ul style="list-style-type: none"> Stakeholder relationships are strengthened and active | MoE CTL Project Funding \$53,300 |
| 2. Busy teachers and heavy timetables restrict ability to keep connected to education staff | b) Disseminate bi monthly panui to education centres and stakeholders | <ul style="list-style-type: none"> 5 paanui disseminated TKIR PLD programme developed, piloted and implemented | <ul style="list-style-type: none"> Iwi stories are accurately and authentically communicated to our wider community and our tamariki mokopuna to strengthen their connect to language, culture and identity | TKOR \$45,000 Contract Salaries and Wages |
| 3. Ngaa Raurutanga is not formally represented in schools; tamariki have little opportunity to learn about Ngaa Rauru Kiitahi language, culture and identity | c) Develop and implement PLD Plan to support staff in education centres to deliver TKIR | <ul style="list-style-type: none"> 2 successful TKIR launch events Formal arrangements in place with our education centre principals to support TKIR | <ul style="list-style-type: none"> Improved Maaori and non-Maaori engagement in Ngaa Rauru language, culture and identity | |
| 4. There is no permanent funding to ensure continuation of TKIR delivery in education centres | d) Raise awareness and visibility of TKIR through public launch | <ul style="list-style-type: none"> Satisfaction interview 6 regular users (3 months then bi-annually) | <ul style="list-style-type: none"> Ongoing developments are informed by data collection. | |
| 5. To keep TKIR fresh and interesting, continuous development of resources is required | e) Review/evaluate TKIR. Develop funding and operational strategy for ongoing delivery of TKI in education centres and through iwi comms channels. | <ul style="list-style-type: none"> 2 new resources produced | <ul style="list-style-type: none"> Increased opportunity for Ngaa Rauru uri able to engage with TKIR any time/anywhere | |
| | f) Develop new resources | | | |

By 2020 TKOR will be a small business sponsor that invests time and resources into start up business development initiatives to contribute to building a sustainable future for our whaanau.

| Issues | Objective | Activity/Measure/Target | Outcome | Investment |
|---|---|---|--|---|
| Finance & Investments | | | | |
| 1. TKOR settled in 2005. Portfolio needs to be worth \$70m minimum by 2034. | a) Build investment governance policies, processes, systems and capability b) Ensure robust monitoring and review of performance occurs c) Strengthen support to the Pookai Aronui (PA) | <ul style="list-style-type: none"> • Full review and update of investment policies and procedures completed by 30 June • At least 80% attendance at all relevant training events • Governance and management actively monitor, measure and review financial performance of TKOR and TPOR bi-monthly • Office staff are able to provide regular and specialised financial/investment support to the PA efficiently and effectively | <ul style="list-style-type: none"> ➤ Increased financial governance capacity and capability ➤ Improved management capability to confidently explain how TKOR assets are protected and grown ➤ Improved capability to provide benchmark reporting against investment policies and procedures | Estimate: \$6K My Fiduciary, \$1,500 working group fees Total: \$7,500 Governance Consultancy Budget plus \$10K other Total \$17,500 Governance Budget |
| Establish Strategic Business Development Alliances | | | | |
| 1. Opportunities exist to improve whanau, hapuu and iwi economic well being | a) Proactively engage in local and regional economic development forums | <ul style="list-style-type: none"> • At least five (5) economic development hui held with key stakeholders | <ul style="list-style-type: none"> ➤ Increased knowledge exchange and resource sharing among partners/stakeholders (Te Ranga Tupua, | \$5,000 Consultancy Kai Tahi Project Budget |

| | | | | |
|--|---|--|---|---|
| | | | Accelerate 25, TREDs etc.) | |
| Science / Maatouranga Maaori Research & Development in Kai | | | | |
| <p>1. Government and market research data confirms there are unique business opportunities available for iwi in the food and beverage sector – Ngaa Rauru is not currently represented in this space</p> <p>2. The benefits of kai Maaori ingredients in Smooju needs to be supported by traditional and scientific evidence to drive consumer demand.</p> | <p>a) Develop relationships to establish crop production systems, IP and build commercial growing expertise</p> <p>b) Undertake research and collect evidence to determine therapeutic and nutritional properties, effective ways to process and store ingredients, quantities required for optimum nutritional value per serving, advice regarding health claims and determine labelling information that complies with food labelling standards.</p> <p>c) Setup crop trials for kawa kawa, kumara, puha and watercress. Implement permaculture/organic growing principles.</p> | <ul style="list-style-type: none"> • New alliances established with crop production advisors and experts • New alliances established with commercial growers • Researcher engaged to produce (4) evidence snapshots on the traditional, nutritional and therapeutic knowledge and properties of kawa kawa, kumara, puha and watercress • Researcher and Food Technologist engaged to determine and document effective processing, measuring and storage methods for kai Maori ingredients. • Repurpose Kii Tahī as an incubator for kai production. • Train staff in permaculture/organic growing. | <ul style="list-style-type: none"> ➤ Ngaa Rauru Kiitahi has increased knowledge, skills and experience in crop productions systems and methodologies. ➤ Increased traditional knowledge about kai Maori, food science, production systems, business knowledge and experience ➤ Increased investment in physical infrastructure and Intellectual Property | <p>\$95,000 Kai Tahī Project Budget</p> |

| Pilot Marae Processing | | | | |
|---|--|---|--|---|
| <p>1. Opportunity exists to engage whanau in business development initially through the use of high quality marae kitchens for pre-processing of ingredients.</p> | <p>a) Develop feasibility pilot with two (2) Marae in iwi rohe</p> <p>b) Conduct food processing trial with at least two (2) Marae in iwi rohe</p> <p>c) Evaluate trial</p> <p>d) Develop food processing plan in line with relevant legislation (Food Act, 2014) for two (2) Marae</p> <p>e) Develop and implement marae training programme</p> | <ul style="list-style-type: none"> • Feasibility pilot plan developed • Two marae engaged to pilot food manufacturing trials and be potential business partners. • At least two (2) food processing trials completed and evaluated • Pilot scaled and full implementation plan developed • Food processing training/dev programme complete | <ul style="list-style-type: none"> ➤ Improved marae engagement in TKOR business development activities. ➤ The iwi has knowledge and skills in food safety and food processing regulations, systems and standards within a commercial food manufacturing environment. ➤ Increase in number of uri working in the food sector and being employed by TKOR and/or partners. | <p>\$50,000 Kai Tahi Project Budget</p> <p>Total Kai Tahi Project Budget \$150k</p> |
| Kai Tahi / Smooju Market Validation and Capability Development | | | | |
| <p>1. Four product concepts have been developed. Full market validation needs to be undertaken to confirm commercialisation potential and pathway.</p> | <p>a) Develop and implement a market validation plan for local and export markets.</p> <p>b) Develop Better Business Case for Kai Tahi investment proposal.</p> <p>c) Create commercial launch plan</p> <p>d) Develop marketing strategy</p> | <ul style="list-style-type: none"> • Participation in market validation or accelerator programme • Market validation plan developed and implemented in at least one region • Potential investors identified • Commercial launch plan created. • Investment proposal developed and submitted to potential investors. | <ul style="list-style-type: none"> ➤ Ngaa Rauru has increased specialist skills and developed capability and experience to support and sponsor whaanau economic development. | <p>\$56,471 TKOR Consultancy Budget contribution.</p> <p>Currently searching for additional external funding contributions.</p> |

By 2020 TKOR will have developed Ngaa Rauru Kaitiakitanga Standards and Guidelines by gathering Ngaa Rauru knowledge through waananga and hui to strengthen and revitalise our Kaitiakitanga principles and practices, and have built capability at iwi and hapuu levels to achieve our outcomes.

| Issues | Objective | Activity/Measure/Target | Outcome | Investment |
|---|--|---|--|--|
| Kaitiaki Project | | | | |
| 1. We have limited knowledge of our traditional kaitiaki practices and maatauranga available. | a) Build a library of place based stories to preserve and share Ngaa Raurutanga – link to GIS. b) Build confidence in our maatauranga c) Develop a strategy for responding effectively and efficiently to matters that require specialist resource planning, science and legal expertise, including use of CIAs. d) Improve hapuu, marae, iwi engagement processes and practices. | <ul style="list-style-type: none"> • Set up library of existing stories and determine a scope of works for research, wananga, interviews and collection of more stories/information. • Explore GIS technology and organize presentations for hapuu/marae. • Establish Ngaa Rauru Kiitahi Conservation Advisory Committee, including terms of reference, strategy and project plans • MOUs and/or service level agreements developed with key stakeholders, priority on councils. • Strategies and Standard Operating Procedures developed and implemented. • Develop proposal to transfer coastal reserves from WDC and STDC to TKOR. | <ul style="list-style-type: none"> ➤ Increased revitalisation of Ngaa Rauru Kiitahi principles and practices ➤ Improved awareness of Ngaa Rauru Kiitahi maatauranga ➤ Increased knowledge transfer between hapuu, marae and external stakeholders ➤ Strengthened awareness of Ngaa Rauru Kiitahi identity and kaitiakitanga practices ➤ Ngaa Rauru Kiitahi Conservation Advisory Group established, operational and effective with strategy for whole rohe. | \$85,000 (TPK Kaitiaki Project funded) |

| Waitootara Catchment DOC Project | | | | |
|--|--|---|---|---|
| <p>1. Implementation of DOC's obligations to the Ngaa Rauru Kiiitahi settlement has been not undertaken in a comprehensive or coordinated manner</p> <p>2. The Waitootara catchment needs extra resourcing – it is under threat from weeds, pests and other impacts</p> <p>3. Limited kaitiaki delivery opportunities under the present management structure</p> | <p>a) Create a shared vision for the Waitootara catchment</p> <p>b) Build a business case to deliver a healthy catchment and to create sustainable jobs</p> | <ul style="list-style-type: none"> • Audit the DOC/TKOR obligations to the Ngaa Rauru Kiiitahi settlement • Work with the Paepae to design a vision for the catchment. • Build a five year business case to support the vision. • Prepare a two page brief to support new funding opportunities such as Predator Free NZ. • Identify priority sites, including the coastal and forest sites, for the Waitootara catchment. | <ul style="list-style-type: none"> ➤ Ready to strengthen hapuu and whanau conservation knowledge, skills and capabilities ➤ Hapuu/whaanau set up to be actively engaged in kaitiakitanga of their lands and waterways | <p>\$30,000 (DOC Project funded)</p> |
| Te Wai Koiora | | | | |
| <p>1. Reduced water quality in rohe over time</p> <p>2. Ahi kaa identified desire to have potable waterways</p> <p>3. Very limited monitoring of Ngaa Rauru waterways</p> <p>4. MfE have identified Waitootara catchment as a vulnerable catchment i.e. close to tipping point</p> | <p>a) Improve accessibility to four sites by removing waste and clearing overgrown vegetation</p> <p>b) Fence waterways at five sites to stop stock incursion</p> <p>c) Plant 12.13ha of riparian zone</p> <p>d) Implement Pest Management and Riparian Maintenance Plan</p> <p>e) Implement Waterway Monitoring Framework</p> | <ul style="list-style-type: none"> • 4 sites cleared • 5 sites fenced • 15,574 eco-sourced native plants planted • 3 sites release sprayed • Quarterly water quality testing completed at 7 sites | <ul style="list-style-type: none"> ➤ Improved hapuu and whanau re-vegetation knowledge, skills and capabilities ➤ Hapuu/whaanau actively engaged in kaitiakitanga of their lands and waterways | <p>\$244,638 MfE Funded plus \$9,137 TKOR funded</p> <p>Total \$253,775</p> |

| MfE Freshwater Improvement Fund | | | | |
|--|---|--|--|--|
| 1. The Waitootara River and tributaries have been identified as a vulnerable water catchment. | a) Reverse the decline in water quality. b) Partner with TRC and others to access MfE funding for a major water improvement project. | <ul style="list-style-type: none"> • Application for funding submitted to MfE in-conjunction with TRC. • Additional stakeholders and financial contributions identified and secured. | ➤ Increased participation and practice of kaitiakitanga. | \$5m funding application lodged with MfE by TRC with TKOR as team members. Expect project to employ Ngaa Rauru uri and buy plants from Kii Tahi. |
| Maunga Negotiations | | | | |
| 1. Plans and progress regarding maunga negotiations need to be communicated. Ngaa Rauru need to tell their stories regarding the maunga. | a) Engage with our uri b) Tell/share our stories | <ul style="list-style-type: none"> • Ngaa Rauru presence on Maunga Taranaki | ➤ Informed input to ratifications process | \$20K Kaitiaki Consultancy Budget funded by OTS. |

BUSINESS AS USUAL

By 2020 the TKOR office will be a strong operational infrastructure that provides effective support to help achieve the needs and aspirations of TKOR Paepae, Pookai Aronui, its companies and marae.

| Issues | Objective | Activity/Measure/Target | Outcome | Investment |
|---|---|--|---|------------------------------------|
| Ngaa Raurutanga | | | | |
| 1. Declining number of kaikorero, kaikaranga on our marae 2. Low levels of participation on marae 3. Our language, culture and identity is slowly being lost. | a) Enable and support marae as our primary gathering and learning place and the heart of enriching experiences b) More uri come home to connect, learn and contribute c) Support uri to learn their Ngaa Raurutanga d) Seek opportunities to raise awareness, and acquire and archive knowledge for future application | <ul style="list-style-type: none"> • At least 12 Waananga funded <ul style="list-style-type: none"> ○ 2 specifically focused on strengthening marae paepae • 360 uri attending waananga and hui • 4 oral recordings/hitori recorded | <ul style="list-style-type: none"> ➤ Uri with increased hapuu and marae knowledge ➤ Marae have increased numbers of active participants in hapuu/marae activities ➤ Marae are able to man their paepae | \$40,000 Ngaa Raurutanga budget |
| Ara Whanaunga | | | | |
| 1. Ngaa Rauru's presence on a regional and national level has decreased in recent years | a) Increase participation in external events i.e. Te Paahuatanga o Parihaka, Koroneihana, Maau Pomare, Ratana, Paakaitore | <ul style="list-style-type: none"> • 3 external events attended • 5 paanui disseminated | <ul style="list-style-type: none"> ➤ Uri are aware and informed of external and provided an opportunity to attend ➤ Improved presence across a range of events ➤ Increased knowledge of whakapapa links with our iwi | \$4,000 Ngaa Raurutanga budget |

| Whakaara i te iwi | | | | |
|--|---|---|--|--|
| <p>1. Increasing participation is a key outcome for TKOR, but what is being done to attract people home?</p> <p>2. Marae have expressed the desire for the office to give them autonomy to run their own initiatives</p> | <p>a) Celebrate Ngaa Raurutanga through iwi events e.g. Toi Ahurea, Taranaki Tuu Mai, Waitootara Awa Hikoi, Other</p> <p>b) Shift ownership of iwi events back to the marae/paahuki/iwi</p> | <ul style="list-style-type: none"> • 4 iwi events held • Number of participants at iwi events <ul style="list-style-type: none"> ○ 300 Toi Ahurea ○ 120 Taranaki Tuu Mai ○ 25/25 WAH • 4 marae/hapuu involved in planning and implementation | <ul style="list-style-type: none"> ➤ Uri feel enhanced pride in their iwi/hapuu ➤ Uri (and others) are pro-actively engaged and respond to TKOR activity ➤ Increased participation across activities contributing to Whakapapa and Whanaungatanga | <p>\$40,300 Ngaa Raurutanga budget</p> |
| Rarauhe-iti | | | | |
| <p>1. Since settlement, uri have been asking for scholarships and other grants funding</p> | <p>a) Support initiatives that help uri to identify, develop and achieve their personal dreams and aspirations</p> <p>b) Target financial support for education and training</p> | <ul style="list-style-type: none"> • 120 grant applications received • 80 successful grants awarded • 8 grant communications | <ul style="list-style-type: none"> ➤ Increase in number of Uri leaving school with level 1,2 3 NCEA (disaggregated by gender) ➤ Increasing number of uri attaining tertiary qualifications ➤ Improved alignment of education initiatives to job creation (rawa) initiatives | <p>\$34,151 Ngaa Raurutanga budget</p> |
| Tautoko | | | | |
| <p>1. Currently we have no budget to support out of budget requests for sponsorship – sports, toi etc.</p> | <p>a) Support initiatives that help uri to identify, develop and achieve their personal dreams and aspirations</p> | <ul style="list-style-type: none"> • Develop a sponsorship policy and management process • Sponsorship policy approved • 6 successful sponsorships awarded | <ul style="list-style-type: none"> ➤ Uri supported in healthy activities | <p>\$3,000 Ngaa Raurutanga budget</p> |

| Rangatahi | | | | |
|---|---|--|---|---|
| 1. No real development in the rangatahi space since settlement leaving our rangatahi to seek opportunities elsewhere. | <p>a) Develop mentoring and coaching opportunities to support development of rangatahi.</p> <p>b) Design leadership development programmes with a specific focus on governance and management succession and rangatahi development.</p> | <ul style="list-style-type: none"> • 1 Leadership programme developed • 4 mentoring arrangements identified • 2 rangatahi hui/ programmes held | <ul style="list-style-type: none"> ➤ Uri expressing interest in iwi leadership roles ➤ Rangatahi supported by marae, iwi to assume leadership roles ➤ Rangatahi contributing to progressive, positive change within marae, iwi and whanau. | \$10,000 Nga Raurutanga budget |
| Te Keka o te Marae | | | | |
| <p>1. There is currently no operational framework/plan around how, when, why and what we are communicating with our people</p> <p>2. Communication and promotion is key to the success of most of our activities.</p> | <p>a) Establish multiple communications modes to connect with and get to know our people everywhere</p> <p>b) Encourage and support collection of contact details to improve communication with uri</p> | <ul style="list-style-type: none"> • 1 Communication Plan approved for implementation • 5 publications disseminated • 50% increase in social media presence • Website current and up to date • Kumara vine used effectively | <ul style="list-style-type: none"> ➤ Increased knowledge and awareness of TKOR activity among iwi members and other identified audiences ➤ Improved uri confidence in TKOR activities and engagements | Gen Ops Budget |
| Maatauranga Unit – Register, Multimedia & Archives | | | | |
| <p>1. Since settlement, we have not confirmed the purpose of the Iwi Register and altered our processes to reflect this</p> <p>2. Multimedia and archiving activities are carried out ad</p> | <p>a) Develop knowledge management and information systems</p> <p>b) Improve access for uri to connect, learn and contribute to iwi, hapuu and marae developments</p> | <ul style="list-style-type: none"> • TKOR data collection and privacy policy and procedure developed • TKOR registration form reviewed and implemented • Processes developed for the acquisition and archiving of koorero, | <ul style="list-style-type: none"> ➤ Increased knowledge, skills and capabilities of IT, knowledge management systems ➤ Iwi has improved connectivity of data collection activities ➤ Improved access to information, koorero, | Gen Ops Budget |

| | | | | |
|--|--|---|---|----------------|
| hoc/reactive with no clear system/ framework for how we will continue this | c) Develop a data collection and privacy policy d) The Iwi Register and Archiving System reflects the needs of the organisation | documents and other key information (MM or other) | documents and other key Iwi, Hapuu and Marae information | |
| General Operations | | | | |
| 1. Keeping TKOR, its subsidiaries and companies running takes significant time, money, and people resourcing | a) Ensure entity compliance particularly financial, legal and personnel b) Deliver exceptional secretariat support to ICF c) Develop efficient contract management practices d) Align strategic Human Resource capacity and capability e) Continuously review of organisation policy and procedure f) Maintain effective Health & Safety policy and practice g) Regularly process Accounts Payable & Receivable h) Review and improve ICT systems | <ul style="list-style-type: none"> • 100% compliance with IRD, Charities, Te Kawa (inc. distribution timeframes) • Funding deliverables met on time • 100% TKOR policies reviewed and review schedule developed • 80% accounts payable met on time • External backup completed weekly • Systems implemented to maintain data integrity and security | <ul style="list-style-type: none"> ➤ Uri are satisfied that TKOR conducts itself consistently with strategic objectives and vision of Ngaa Raurutanga ➤ Uri are satisfied with the accountability of the Office | Gen Ops Budget |
| Future Planning and Development | | | | |
| 1. Ngaa Rauru is involved in new and evolving workstreams and many | a) Prepare TKOR to be in a position to respond and capitalize on | <ul style="list-style-type: none"> • Undertake a review of the TKOR organisational structure, systems, | <ul style="list-style-type: none"> ➤ Ngaa Rauru is prepared and able to take advantage of growth and | Gen Ops Budget |

| | | | | |
|---|---|---|--|--|
| opportunities are arising that could support growth and development of whaanau, hapuu and marae. Ngaa Rauru requires a proactive strategy and resources to take advantage of opportunities. | emerging opportunities and responsibilities. | capability and resources and report to Te Paepae by 30 September. | development opportunities. | |
| Pookai Aronui Support | | | | |
| 1. An increase in PA membership and movement towards a more active investment portfolio results in greater workload and a higher level of expertise required from the office. | <p>a) Successfully implement the Strategic Investments Business Plan (SIBP)</p> <p>b) Ensure office staff are able to support the PA efficiently and effectively.</p> | <ul style="list-style-type: none"> • Bi-monthly benchmark reporting against SIBP • Review and establish efficient office policies, systems and processes • Increase staff capability in investment management. | <ul style="list-style-type: none"> ➤ Improved office capability to confidently explain how TKOR assets are protected and grown ➤ Improved office capability to provide benchmark reporting against investment policies and procedures ➤ Increased office capabilities to effectively improve performance of TKOR assets. ➤ Increased TKOR assets | Gen Ops Budget |
| Customary Title and Rights – Takutaimoana Bill | | | | |
| 1. Establishing Ngaa Rauru customary title and rights requires complex historical evidence and legal advice through the MACA reforms process. | a) Lodge claim under Takutaimoana Bill. | <ul style="list-style-type: none"> • Evidence collected and claims lodged within statutory timeframes. | <ul style="list-style-type: none"> ➤ Legal recognition of hapuutanga and Ngaa Raurutanga in respect of the marine environment. | *Currently applying for funding through OTS. |

| Puutaiao capability and capacity | | | | |
|--|---|--|---|--|
| <p>1. We have limited capability to participate effectively as kaitiaki within current structures and processes</p> <p>2. There are so many demands from external parties that our own plans and goals get superseded by the needs and timeframes of others.</p> <p>3. We are not always resourced effectively to influence major development proposals – WWF, TTR.</p> <p>4. There is a constant stream of requests for input into statutory processes and consultations.</p> | <p>a) Create stability and build capability and capacity in the TKOR Puutaiao team with coaching and support in place.</p> <p>b) Active participation in statutory processes, consultation exercises and Te Matapihi o Tangaroa (WDC/Iwi Accord).</p> <p>c) Review and update (if necessary) Puutaiao & Fisheries Management Plans.</p> <p>d) Develop and implement a GIS tool.</p> | <ul style="list-style-type: none"> • Engagement plan developed with marae/paahuki. • Annual hui held with a group of key stakeholders to share Ngaa Rauru's plans, goals, and priorities. • Ensure representation of Ngaa Rauru Kaitiaki perspectives in critical planning documents for Taranaki and Whanganui • Investigate the impacts of resource consent and other applications on kaitiakitanga values in our rohe, including mining and conservation • Participate in local conservation activities, e.g. Moumahaki Kiwi Project (with Mt Hiwi Trust), Bushy Park • Professional representation in hearings and courts • Scope needs and establish permanent puutaiao role/s by 01 April 2018. | <ul style="list-style-type: none"> ➤ Improved governance, management and administration. ➤ Ngaa Rauru actively engaged in responsible management of our taiao. ➤ Improved environmental outcomes | <p>\$25,920 Puutaiao Consultancy Budget plus half year Kaihaapai wages</p> |
